## SQUASH SECTION

### BYE-LAWS

The Squash Section Committee is responsible for running the squash section, for court usage and for reserving the courts, as necessary, for Club matches, tournaments and other special purposes

The Committee's decision on compliance of these bye-laws shall be final.

#### COURT BOOKINGS

1. A combined booking and court fee is payable at the time of booking a squash court; otherwise the reservation will be cancelled and the name removed from the booking board. The current fees are displayed on the squash section notice board.
2. No member may use a squash court without first booking and paying a court fee.

#### TOURNAMENTS

When a court is being used in a tournament, it takes priority over any other use.

#### JUNIOR MEMBERS

1. Children under 9 years of age are allowed onto the squash courts and onto the balcony *only* when in the company of a responsible adult.
2. No junior member may play after 6pm unless playing in the Club internal leagues or unless the Committee has given special dispensation.

#### DRESS CODE

1. No black-soled shoes or footwear liable to damage or mark the courts' playing surfaces shall be worn. Great care should be taken to prevent mud from being carried into the squash courts on wet days.
2. Members are required to play in recognised squash clothing which must include either a T-shirt or polo shirt. Shoes must be non-marking. *Committee members have the right to ask any member incorrectly dressed to leave the court immediately.*
