Welcome to the first Junior Tennis newsletter providing all the information you need to know about the Junior Squad Programme at LLTC.

The heavy snow and bad weather has meant a difficult start to the year, so thank you for turning out in force and I am pleased to say the squads have been well attended and are now in full swing. The players have shown great improvement and their work ethic has been excellent.

The Aces squads encompass the three areas of the tennis programme:

Aces Squads	Age	
 <b>Red Aces</b>	5-7	play with mini red balls on a small sized court
 <b>Orange Aces</b>	7-9	play with orange balls on a half sized court
 <b>Green Aces</b>	9-10	play with green balls that bounce 25% less than a normal ball and on a full size court
<b>Futures Squads</b>	11-13	for players making the transition from the green ball to a normal ball
<b>Satellite Squads</b>	13-15	for Junior players who have the basic techniques and wishing to develop their skills
<b>Challenger Squads</b>	16-18	these squads are designed for the older juniors
<b>Academy Squads</b>	All ages	these squads are for the serious junior tournament player and are based on ability and potential rather than age.
